VIETNAM WAR ERA OF ST. PETER

JUNE 2021

LMC Veterans Support Our Communities

Opportunities to demonstrate to our communities that Vietnam Era veterans continue to be important to our great American way of life are coming up soon.

The St. Peter Old Fashioned Fourth of July Celebration will feature the traditional parade, with LMC members and their favorite youthful legs assisting, handing out American Flags at the beginning of the parade. If you, your children (or grandchildren) are available on July 4th, meet at the intersection of Broadway and Washington (Johnson Park) at 0945 hours. Wear LMC clothing if available and hang on for the "Thank You"! Also

on the 4th, the Picnic in the Park (where the Veteran's Memorial is located) there will be a very popular "Beer Tent" that LMC volunteers to operate. Proceeds go to the Chamber of Commerce for July 4th expenses, but appropriate signage displayed credits LMC for their continued volunteerism in the community. Contact Dave Johnson (text or call (612) 619-6205) to volunteer for a shift from 1300 hours to 1430 hours; or 1430 hours to 1600 hours.

We are also looking for volunteers to sell bingo cards at the St. Peter Legion on the first Wednesday of odd months. You do not need to be a Legion member to participate.

Last Man Club Golf Classic Huge Success

LMC sees best tournament to date

The 6th Annual Last Man Club Golf Classic Presented by Ballman Roofing was held on June 18 at Shoreland Country Club in St. Peter. With 176 golfers, 10 major sponsors and 245 hole sponsors, it was our biggest and best tournament to date! There were still 10 teams on the waiting list!

We're still tallying up the proceeds and will have that number for you at the banquet, but

we expect to exceed \$100,000 raised in the 6 years this tournament has been in existence. That's a feat to be proud of!

New to the tournament this year was a trophy. The statue was donated to the LMC and the base was generously designed, produced and donated by Cambria. It's a pretty spectacular trophy!

Save the date! The 7th Annual Last Man Club Golf Classic will be held on June 17, 2022 at Le Sueur Country Club.

Commander's Thoughts

Aristotle said, "What is the essence of life? To serve others and do good." With so many people, and yes our fellow brothers and sister veterans less fortunate than some of us, volunteering becomes increasingly more important. We humbly ask you to be a volunteer. Volunteer for the needs of fellow veterans. It doesn't have to be a life commitment. Volunteer for one activity for the year, for simply four hours. We and your community need you!

Sweet Corn Feed

Sasse Farms out of Le Sueur has generously agreed to donate the Sweet Corn for this year's feed! The date of the Sweet Corn Feed will be determined by the date the corn is ready. This year's weather could slow harvest, but we anticipate sometime in the first half of July. Stay tuned to Facebook and email for further details!
